REMARKS:

Award Conditions to the Financial Assistance Award Between the Denali Commission and The Alaska Department of Transportation  
For Fort Yukon Dust Control Project Award No. 1410, Amendment 1

All changes to the award conditions are noted below.

1. Scope of Work

The purpose of this amendment is to correct the beginning performance date on the cover sheet so it matches the beginning performance period stated in the original award conditions document. The performance date should be April 1, 2012 through December 31, 2013.

This amendment also adds \$5,985 in matching funds to the subject project. The funds are Alaska Department of Transportation funds and are being managed through Alaska Department of Transportation.

There are no other changes to the original Financial Assistance Award, as amended.
