Re: Kodiak Island Community Health Center additional funding

Dear Mr. Morrison:

In accordance with Financial Assistance Award 185-05 and the 2005 Memorandum of Understanding (MOU) between the Denali Commission (Commission) and the Alaska Native Tribal Health Consortium (ANTHC), this letter provides ANTHC funding in the amount of \$219,875 for completion of construction of the Kodiak Island Community Health Center, ANTHC Project No. AN-07-GK1. This includes originally planned construction of the clinic and change orders for the addition of a Nurse Call system, Clinic Communication Devices, a Communication HVAC system upgrade, and for finishing spaces initially designated as Dental Alt one. Additional cost share match has been documented by Kodiak Island Health Care foundation for the increased costs of this project.

Additional funding will be made available from FY07 unallocated funds under a separate award. Other Denali Commission funding for this project is as follows:

Award 288-07, Amendment 2	-	\$1,802,347.00
Award 146-DC-2004-I29, Amendment 6	-	142,322.69
Award 288-07, Addendum B	-	39,021.35

This will leave a remaining unallocated balance of -\$0- on Award 185-05.

If you have any questions, please contact me at 907-271-1779, nmerriman@denali.gov.

Sincerely,

Nancy Merriman
