

6-14-2012

Dear Denali Commission,

I was awarded the PD 1 Scholarship, which I attended the beginning of June 2012. I went down expecting the unknowable. I came away with learning so much about being a city clerk. The highlight of my experiences were many from writing, ethics, and record keeping, but I think the most I came away with the whole experience was meeting and hearing what other clerks do in their organizations and the networking possibilities. I am grateful to have been chosen with this rewarding opportunity to help the community of Newhalen more efficiently. Thank you so much. I look forward the PD Session 2 next year.

Sincerely,
Wassie Balluta, Jr.
City Clerk
