RE: Grant Contract #UAF 10-0068 “Psychrophiles for Generating Heating Gas”
Cordova Electric – FP02596
Grant Close Out

Lesli,

The Subject Grant has been completed on time and at an actual cost of \$206,077.62. The remaining balance of \$44,832.38 is approved for release as a balance of grant funds not needed for the project. The objectives of the project have been achieved, and the final technical and reports completed. Please find attached copies of the final technical and financial reports. The source files are available upon request.

Please contact me if you have any questions or need any additional information.

Sincerely,

Clay Koplín, CEO
