Pursuant to the terms and conditions of the Grant/Award, this Authorization:

This Project Authorization provides ANTHC with \$8,465.36 for the Cold Bay Clinic Renovation project (ANTHC project number AN-12-GP2).

Funds are provided to ANTHC to cover additional costs related to the final design and Fire and Life Safety Plan Review by the State of Alaska, Department of Public Safety, for the original Cold Bay Clinic project which were not known to ANTHC or the Commission until October, 2013.

These funds are for items that the Commission would generally cover at 100% in the design phase, and are therefore not subject to additional cost share match requirements. As such, no cost share is noted for this PA.

Milestones for this project follow:
