## Project Agreement Bethel City Dock East Wing Wall - Design

### Denali Commission FY13 Funding Assistance

**State:** Alaska

**Project Title:** Bethel City Dock East Wing Wall - Design

**Project Location:** Bethel is located at the mouth of the Kuskokwim River, 40 miles inland from the Bering Sea. It lies in the Yukon Delta National Wildlife Refuge, 400 air miles west of Anchorage. Bethel is located in the Bethel Recording District. The area encompasses 43.8 sq. miles of land and 5.1 sq. miles of water.

**Parties to the Agreement:** Denali Commission (Commission)

And

U.S. Army Corps of Engineers District, Alaska (Corps of Engineers)

**Purpose of this Agreement:** This Agreement documents the intent of the parties for the Corps of Engineers for the design of the Bethel City Dock East Wing Wall – Design.

**Authority:** This Agreement is entered into between the undersigned parties pursuant to allocation of funds to the Commission as defined in SAFETEA-LU. The Transportation Advisory Committee, through its selection and approval process, has established the intent of the Commission to allocate funds to the Corps of Engineers for the Bethel City Dock East Wing Wall - Design Project. The Commission is providing \$200,000 to the Corps of Engineers. The project also includes \$50,000 in local funds which meet the required match for the project. Denali Commission funds and local funds will be managed by the Corps of Engineers.

**Project Background:** The existing wall is deteriorated with fractured and/or displaced timber facing boards and potentially displaced or rotated steel pile connectors.

**Planning and Coordination:** Efforts associated with the construction of the Bethel City Dock East Timber Wall Design Project will include input from the community and others stakeholders involved.

**Project Scope:** The Denali Commission (Manager) is providing \$200,000 to the Corps of Engineers (Recipient) for the design phase of the subject project. The City of Bethel is providing \$50,000 to meet the required match. Denali Commission funds and other project funds will be managed by the Corps of Engineers.

This project will design a reconstruction solution for the City of Bethel east timber wall section of the existing city dock structure along the Kuskokwim River. The work will include scoping and preliminary engineering; environmental, permitting, right-of-way clearances and final PS&E/bid documents to replace or otherwise repair the deteriorated east timber wall of Bethel’s city dock face.

This project will benefit the community and surrounding small communities by providing new, safe floats which will accommodate the commercial, subsistence, sport fishing and tourism/small business community.

1. Improved safety and operations.
2. Improve Intermodal Connections
3. Reduced nearshore shoaling and other navigation hazards.
4. Improved capacity.

**Programmed Funding and Schedule:** This project is currently funded at \$200,000 and \$50,000 in local funds provided by the City of Bethel, and is scheduled through December 31, 2015.

Milestone	Planned		Actual		Total Cost At Completion
	Start Date	End Date	Start Date	End Date	
Design	2/01/2013	12/31/2015			\$0.00
Project Close-out	1/1/2016	3/31/2016			\$0.00

**Program Manager:** Melanie Peterson

**Contact Information:**  
Melanie Peterson, Program Manager, (907) 753-5694  
Tessa DeLong, Denali Commission, (907) 271-1624

Quarterly reports will be submitted to the Denali Commission to update all parties on scope, schedule, and budget status (see Reporting).

Upon completion of the design work outlined above, the Corps of Engineers and the Denali Commission will hold a final meeting with the community to outline the project results and subsequent steps in project development. Project documents will be available for public review and use within the community, and will be available to all interested parties.

This agreement shall be effective as of the date of the latest signature.

**Project Purpose and Benefits:** Improves connections and safety for local residents, residents in surrounding villages, commercial fisherman, subsistence activities, charter fisheries, and tourism related industries.

**Funding:** \$200,000 of Denali Commission funds will be allocated to perform design activities described in this agreement.

**Amendments to the Project Agreement:** This Project Agreement may be modified by mutual agreement of the affected parties, generated by the Denali Commission.

**Reporting:** Two forms of project reporting are required under this Project Agreement, listed below. The Corps of Engineers shall submit reports using the Denali Commission's on-line Project Database System, available at [www.denali.gov](http://www.denali.gov). If there are technical limitations which may prevent the Corps of Engineers from meeting this requirement, please contact the Commission Program Manager listed in this Agreement.

- a. **Progress Reports** shall be submitted on a quarterly basis. Reports are due within 30 days of the end of the reporting period. Progress reports shall include the following:
  - i. Total project funding, including both Denali Commission funding and other project funding sources.
  - ii. The total project expenditures for the project as of the end of the reporting period, including both Denali Commission and Other funding sources.
  - iii. Updated schedule and milestone information as identified in the Scope of Work
  - iv. Narrative summary of the project status and accomplishments to date, and address the following questions: is the project on schedule, is the project on budget, and what actions are planned to address any project problems.
  - v. **Non-Construction Projects** For minor repair and renovation projects or other non-construction projects, pictures should be provided of before and after, or photos that are representative of the funded activity, to the extent possible. Photos shall be provided in a digital format as part of the on-line report. A short description of the activity and names of those in the photos shall also be provided.
- b. The project close-out report shall be completed within 90 days of the end of the Agreement performance period or within 90 days of the completion of the project, whichever is earlier.

The project close-out report shall be submitted on-line through the Denali Commission's on-line Project Database System, available at [www.denali.gov](http://www.denali.gov). The project close out will require the Corps of Engineers to submit the following information:

- a. Final data for each item listed in above section "Progress Reports".
- b. Final project expenditures itemized by the following categories: planning & design; materials & equipment; freight; labor; project administration/overhead and other expenses.
- c. Acknowledgement of support: For all non-construction projects, the Award recipient shall include an acknowledgement of the Government's support for the project(s) developed under this Award. The format for acknowledgement of the Government's support for non-construction awards will vary with each award and must be agreed upon between the Award

recipient and the Denali Commission Project Manager. Costs associated with this requirement shall be paid out of the project funding received by the Award recipient from the Denali Commission.

This Agreement shall be effective as of the date of the latest signature.

## I. TERM OF AGREEMENT

The terms and conditions of this agreement shall become effective with and upon execution by Denali Commission Contracting Officer and shall remain in effect through December 31, 2015, unless modified in writing by mutual agreement or terminated by either party upon thirty (30) days written notice. Full credit shall be allowed for each party's reimbursable costs and all non-cancelable obligations properly incurred up to the effective date of termination.

## II. FINANCIAL ADMINISTRATION

**Availability of Funds for Proceeding Fiscal Year:** Funds are not presently available for performance under this Reimbursable Agreement beyond December 31, 2015. Denali Commission obligation for performance beyond that date is contingent upon the availability of appropriated funds from which payment under the agreement can be made. No legal liability on the part of Denali Commission for any payment may arise for performance under this agreement beyond December 31, 2015, until funds are made available by the Contracting Officer through written modification of the agreement.

**A. Total Agreement Amount:** See block #5, cover page, for funds obligated by this agreement.

**Funding Citations:** See blocks 4a. and 4b. of cover page.

**B. IPAC:** In accordance with the Debt Collection Improvement Act of 1996, all payments between Federal Agencies must be billed via Intra-Governmental Payment and Collections (IPAC). The Agency Location Code (ALC) for Denali Commission is 95-67-0000. For IPAC payment approval, the Servicing Agency will submit all Billings to the Government with Support Data as costs are billed, and one final and complete billing marked Final Invoice for reimbursement of all eligible costs incurred not later than 180 days after satisfactory completion of the work pursuant to the provisions of Title 23 CFR 645.117.

**C. Reimbursable Payment:** The servicing agency is authorized to bill monthly as costs are incurred and authorized, and should correspond to actual IPAC payment submission. The servicing agency is limited to recovery of actual costs only, with a progress report reflecting the progress to the date of the invoice. The report will note obstacles encountered, suggested solutions, progress to date, and identify costs and expenses as stipulated in the agreed upon cost budget for services rendered or supplies delivered, as stated in Section II, B. Cost Budget. Include back-up data with each request for payment. Back-up data includes all documents needed to support the requested IPAC reimbursement, such as record of contract payments, receipts, payrolls, and so on.

materials to the Requesting Agency by the effective date of termination. If this agreement should be terminated by the Requesting Agency, its liability shall extend only to pay for the actual and reasonable costs of the items/services rendered and the costs of any non-cancelable obligations incurred in accordance with the terms of this agreement prior to the effective date of termination.

**VII. Agreement Standard Conditions**

**Financial**

1. **Funding.** In no case will the Servicing Agency make commitments or expenditures beyond 100% of funds obligated under this agreement as modified.
2. **Additional funds.** The Requesting Agency and the Servicing Agency shall closely monitor funds. The Requesting Agency may increase the total obligation by modifying this agreement.
3. **Duration of the agreement.** When agreement performance is expected to extend beyond the funding limits of the Requesting Agency's appropriation, the agreement may be extended provided the agencies have executed a modification using new funding.
4. **Agreement Closeout.** Upon receipt of the final accounting of project costs, the Requesting Agency will close the Servicing Agency account. The remaining balance in the agreement account will be de-obligated by the Requesting Agency using an agreement modification (see "Agreement Completion" in the Administration portion of these standard conditions.)

**Laws**

5. **Compliance with Applicable Laws.** Both parties agree to comply with authorities, laws and regulations cited in this document.
6. **508 Compatibility.** Each Electronic & Information Technology (EIT) item/service furnished under this agreement shall comply with Section 508 of the Rehabilitation Act of 1973 (29 U.S.C. 794d), as updated in 1998.
7. **Competition Requirements for Servicing Agency.** All acquisitions awarded by the servicing agency in performance of this agreement shall comply with the Competition in Contracting Act (CICA), public law 98-369. (Applicable to agreements with other Federal agency)

**Administration**

8. **Responsibilities.** The Requesting Agency COTR and the Servicing Agency designated official shall be responsible for technical oversight of the specified item/service, as set forth in the attached statement of work.
9. **Third Party Liability.** With respect to third-party liability for acts arising out of the performance of official duties by a government employee of the Servicing Agency, the Servicing Agency undertakes responsibilities for the investigation, adjudication, settlement, and payment of any claim asserted against the United States; except that, in all cases, the responsibility for the investigation,

adjudication, settlement, and payment of any claim with respect to third-party liability arising out of the use, damage, or destruction of loaned personal property shall be the responsibility of the particular agency that has custody and control of the said personal property. In addition, the Servicing Agency representative shall have the duty of investigating and reporting, in accordance with the Servicing Agency's regulations and policies, incidents occurring on, or involving that Servicing Agency's real property, and the Requesting Agency agrees to cooperate fully in such investigations.

**10. Disputes.** Agency employees responsible for the administration of this agreement will be the initial points of contact for any disputes arising under this agreement. Disputes may be submitted in writing to either of these persons. Any disputes that are not resolved at this level may be referred to their respective agency's reviewing official for resolution. Pending the resolution or claim pursuant to this article, the parties agree that performance of all obligations shall be pursued diligently in accordance with terms and conditions of the Agreement.

**Other**

**11. Publication or Sharing Results.** If either party publishes or shares any results arising from this agreement, they shall submit a proposed release to the cooperating party for review. Publication may be joint or independent, as agreed upon, always giving due credit to the cooperation and recognizing within proper limits the rights of the individuals doing the work. Software and documents may not be shared or used beyond the scope specified in the Statement of Work.

**12. Property.** Purchase of equipment required for performance of the work must be authorized by the agreement.

**13. Travel.** All travel under this agreement shall be in accordance with the Federal Travel Regulations, unless otherwise agreed to by both agencies.
