4. Two forms of project financial reports are required.
 - A. Project financial status reports shall be submitted to the Commission Project Officer quarterly (included as part of the quarterly progress reports). The IHS shall address all potential environmental concerns (specific and cumulative effects) associated with the projects, identified in this Agreement, in consultation with applicable Federal, State, and local authorities. If the scope of work is changed in the future, then the IHS will revisit the project level environmental reviews to determine if potential environmental concerns must be further addressed. In the interest of streamlining the project level environmental reviews and avoid duplication of effort, any other Federal environmental review process carried out by the IHS on projects, identified in this Agreement, shall meet the intent of this paragraph.
