All Denali Commission funding is intended for use within the scope of work identified in the Award document only. Any balance of funds remaining after the full scope of work has been completed will be returned to the Denali Commission.

***2. Milestones***

The following milestones are identified as the major steps to be completed as part of the project. "Planned" dates for the first milestone are included here. As part of each progress report, Alaska Energy Authority (AEA) reporting systems will update the progress toward meeting these milestones (see section 7, Reporting).
